

and Florence, her husband Martin Biddle, and her son Michael Biddle. She is survived by sisters Anita Nelson, of California, Stella Montoya and husband Eloy, Monica Sosaya Halford and husband Richard, of Santa Fe, and her brother Augustin Sosaya and wife Priscilla, of California. Numerous nieces and nephews also survive her.

Mr. Speaker, Angie will be missed not only by her family and many friends, but by her community as well.

OUTSTANDING HIGH SCHOOL SENIORS FIRST CONGRESSIONAL DISTRICT OF NEW MEXICO

HON. HEATHER WILSON

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 6, 2002

Mrs. WILSON of New Mexico. Mr. Speaker, the following high school students from the First Congressional District of New Mexico have been awarded the Congressional Certificate of Merit. These students have excelled during their academic careers and proven themselves to be exceptional students and leaders with their scholastic achievements, community service, and participation in school and civic activities. It is my pleasure to be able to recognize these outstanding students for their accomplishments. Their parents, their teachers, their classmates, the people of New Mexico and I are proud of them.

CERTIFICATE OF MERIT AWARD WINNERS 2002

Stacey Atma, New Futures High School
Emily Arzate, West Mesa High School
Jonathan Berg, Temple Baptist
Sean Blackshear, Mountainair High School
Nathan Bogue, Menaul School
David Cooper II, Cibola High School
Patrick Furlong, St. Pius High School
Leroy Garley Jr., Moriarity High School
Sean Gill, Freedom High School
Eva Gonzales, Rio Grande High School
Anthony Herrera, Bernalillo High School
Kelsey Jackson, Del Norte High School
Heather Kaiser, La Cueva High School
Russell A. Ligon, Manzano High School
Julia Maccini, Sandia Prep High School
Katie Marconett, Albuquerque High School
Sonia Marinelarcena, Career Enrichment
Eric Miller, Evangel Christian Academy
Jordan Miller, School on Wheels
Mitchell Eric Nelson, Hope High School
Chelsea Perino, Sandia High School
Joni Pinckard, Mountainair High School
John Reidy, Albuquerque Academy High School
Daena Richter, Eldorado High School
Solomon Romney, Valley High School
Brenda Solano, Evening High School

IN RECOGNITION OF THE 2002 U.S. PHYSICS OLYMPIAD TEAM

HON. VERNON J. EHLERS

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 6, 2002

Mr. EHLERS. Mr. Speaker, I rise today to applaud the achievements of the members of the 2002 United States Physics Olympiad Team. The 24 young men and women who make up this team are remarkable and dedicated students with extraordinary talents.

Landing a spot on this prestigious team is extremely difficult. Initially, about 1,100 highly qualified students across the country are nominated by their high school teachers to take a national exam. The top 200 scorers on this test then advance to the next round of competition. Results from the second round of testing are used to select the 24 members of the team who then go on to attend an eight day intense training camp that features studying, testing and problem solving.

Members of the 2002 team include: Jared A. Bass, Peter S. Behroozi, Immanuel D. Buder, Steven J. Byrnes, Bryan G. Chen, Craig J. Fratrik, Daniel R. Gulotta, Chintan Hossain, Jennifer H. Hou, Joanna N. Huey, Patrick A. Hummel, Daniel M. Kane, Chen Li, Andrew M. Lutomirski, Sean P. Markan, Pavel G. Matrachenko, Paul J. Miller, Cristina Moldovan, Lydia W. Ng, Gregory N. Price, Emily R. Russell, Benjamin M. Schwartz, David W. Simmons-Duffin, and Albert Z. Wang.

Mr. Speaker, as a nuclear physicist, a former physics professor, and a strong proponent for math-science education, I have worked extremely hard to draw national attention to the need for and the importance of math-science education. After reading the accomplishments of the members of this team, I am proud to see students embrace the world of physics and the many challenges it presents. I am hopeful that the enthusiasm these students have shown toward learning more about physics will spread to other students. I personally want to thank all of the students who made an effort to become a part of this team for showing others that science is and can be fun. Mr. Speaker, I ask my colleagues to join me in saluting these future leaders of our country.

INTRODUCTION OF THE MAMMOGRAPHY QUALITY STANDARDS (MQSA) REAUTHORIZATION ACT OF 2002

HON. JOHN D. DINGELL

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 6, 2002

Mr. DINGELL. Mr. Speaker, today I am introducing the Mammography Quality Standards Reauthorization Act of 2002. This is a companion measure with my esteemed colleague, Senator MIKULSKI, who introduced an identical bill in the Senate yesterday. In 1992, Senator MIKULSKI and I introduced the original Mammography Quality Standards Act (MQSA). The primary objective of this law is to ensure that mammography is safe and reliable and that breast cancer is detected in its earliest, most treatable stages. The act was reauthorized in 1998 and now it is time for us to reauthorize it again.

We have a breast cancer epidemic in this country. An estimated 203,500 new invasive cases of breast cancer are expected to occur among women in the United States this year alone. Every 3 minutes a woman is diagnosed with breast cancer, and every 13 minutes a woman dies from this disease. This year in my home State of Michigan, about 6,500 women will be diagnosed with breast cancer, and the disease will kill 1,600.

Breast cancer is a progressive and systemic disease, in which our ability to treat and cure

a small tumor is much greater than our ability to treat and cure a large tumor. For this reason, it is vital that we ensure the safety, accuracy, and accessibility of mammograms for all women. Our top health institutions, including the Department of Health and Human Services, the National Cancer Institute, and the Agency for Health Care Research and Quality, recommend screening mammography every one to two years for women ages 40 and over.

MQSA is a federal law that establishes a number of requirements aimed at strengthening and ensuring high quality standards for all mammography facilities. The MQSA program requires all mammography facilities in the United States to meet stringent quality standards, be accredited by a Food and Drug Administration-approved accreditation body, and be inspected annually. The 2002 reauthorization legislation continues all existing requirements.

It is simply not enough to have mammography screening facilities; we must demand and ensure that these facilities are responsible, reliable, and precise. MQSA requires that the FDA establish quality standards for mammography equipment, personnel, and practices. These standards apply to the following people at the facility: the technologist who takes the mammogram, the radiologist who studies the mammogram, and the medical physicist who tests the mammography equipment. All of these people must have special training and education, and must meet continuing education and experience requirements.

I urge all of my colleagues to support this important and beneficial bill which will help to ensure that women receive improved, accurate, and complete information with regard to their mammography screening. High quality mammography, while not a perfect tool, is currently the best available tool for the early detection of breast cancer and MQSA provides our best assurance of that quality.

IN HONOR OF ROBERT "BOB" SASSAMAN, WHO RETIRES AFTER 40 YEARS OF PUBLIC SERVICE WITH CALTRANS

HON. ADAM B. SCHIFF

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 6, 2002

Mr. SCHIFF. Mr. Speaker, I rise today to congratulate Robert W. "Bob" Sassaman, District Director for Caltrans District 7, who will celebrate his retirement from public service after an exemplary 40-year career at Caltrans.

Sassaman, an outstanding engineer and able administrator, was appointed as District Director on October 19, 1999, responsible for overseeing a vast and immensely complex transportation system in District 7, including 27 freeways and state highways spanning Los Angeles and Ventura counties. Sassaman, who had served as Chief Deputy for four years prior, had served as interim District Director since March of 1999 after Governor Gray Davis tapped then-District Director Tony Harris to serve as Caltrans Chief Deputy Director in Sacramento.

Prior to his tenure as Chief Deputy, Sassaman was Deputy District Director for
